

Loan Application and Promissory Note

LifeStream Rochester offers NO-INTEREST LOANS to individuals in need who wish to attend personal growth and development seminars.

This financial aid is provided on a TRUST basis – there is no collateral and only the applicant's signature promising repayment. A COMMITMENT to repay this loan within an agreed time frame is demonstrated through the use of post-dated checks to cover the repayment schedule. This will enable LifeStream Rochester to continue to provide financial aid to other individuals.
